

## NURSE CARE

• NORTH CAROLINA •

An Arosa Company

*We are excited to announce the acquisition of two premier providers of Aging Life Care Services™*

**Locations:** Raleigh, NC and Nashville, TN

**Owner/CEO:** Gretchen Napier

**About:** Our mission is to transform the aging experience from one of fear and institutionalization, to one of good memories and reconciliation. We approach each client and family with a holistic approach, considering the physical, emotional, mental, and lifestyle needs of each person involved.

**Location:** Durham - Chapel Hill, NC

**Owner:** Caryn Utberg

**About:** The mission of Senior Care Management Associates is to assist older adults to live as independently as possible in a safe environment while maintaining their dignity and self esteem. SCMA assists in creating and managing a supportive network in the home or facility setting.

## Aging Life Care™ + Home Care

*Arosa+LivHOME believes that care management plus home care, under the same umbrella, creates better care experiences for individuals and their families.*

*Nurse Care of North Carolina, an Arosa+LivHOME company, now combines Aging Life Care™ services alongside its home care services in The Triangle.*
